

The TAP Fund Major Donor Investment

Because of Major Donor support, solidly pro-choice women are being elected in greater numbers than ever to our state and local offices.

Join these women who are a committed force changing the face of politics in Western New York.

THE RESPONSIBILITIES FOR AND BENEFITS OF A \$1,000 OR MORE YEARLY PLEDGE:

Minimum \$500 annual commitment to the TAP Fund general fund to be disbursed to those TAP-endorsed candidates after completion of a rigorous candidate interview and vetting process.

The choice to then 'bundle' the remaining \$500+ portion of your pledge directly to the TAP-endorsed candidates of your choice. You write your checks in any amount to one or more candidates and send to the TAP Fund which forwards them directly to the candidates. Please see the 'News and Events' section on our website for bundling suggestions.

Major Donors enjoy all TAP Fund events at no charge (value as high as \$100 per event).

Major Donors are frequently allowed one additional admission to TAP Fund events creating a perfect opportunity to introduce a new friend to the TAP Fund.

Special Major Donor events (i.e. exclusive guest speakers, breakfast with the candidates) allow you to gain insight into special issues affecting women and our political future.

Front row seats for the candidate interview and endorsement process. All Major Donors are invited to attend these crucial sessions that epitomize 'why we do what we do'.

Because the TAP Fund is proud of the extraordinary commitment of the Major Donor group, all Major Donors are recognized in TAP Fund newsletters, publications and at events.

And last but not least, all Major Donors receive a unique TAP Fund lapel pin!

The Major Donors to the Women's TAP Fund are a powerful, pro-choice influence in Western New York politics.

**We ARE making a difference.
Thank you for your investment.**
